

Hello Everyone,

Zia Australian Shepherd Club has been monitoring the Covid-19 situation very closely. With things being so uncertain and after listening to the Governor's speech, we believe it is in everyone's best interest to cancel our June, 2020 trial. We will be looking to find a weekend to replace it towards the end of the year and we will keep everyone posted.

I want to thank everyone on the trial committee for doing all you have done to get ready for this trial. Thanks also go out to our judge, Chuck Klein, who had his flight scheduled and was ready to jump on a flight to join us. Thanks also to our competitors and club members for your support!

In the meantime, stay safe and stay well. We look forward to running with all of you soon. Hug those pups!

Joan Fry
